## ABOUT ME

Senior iOS Engineer with 8+ years of experience building scalable, high-performance mobile applications. Specialized in complex UI systems, offline-first architecture, and performance optimization. Proven track record of improving app reliability, user engagement, and engineering efficiency in large-scale products.

## SKILLS

**iOS:** Swift, UIKit, SwiftUI, MVVM, TCA, Realm, CoreData, XCTest, CoreAnimation

**Engineering:** REST API, gRPC, Offline-first architecture, Performance optimization, Concurrency (GCD)

**Tools:** SPM, CocoaPods, Git, CI/CD

## EXPERIENCE

### **WILDBERRIES, IOS ENGINEER:** 04/2025 – PRESENT

- Designed resilient architecture for orders and listings in unreliable network conditions.
- Built high-performance UIKit UI for complex user flows.
- Implemented local caching with Realm, improving UX in poor networks.

**Tech Stack:** *UIKit, Realm, REST API, MVVM, URLSession, GCD, Offline-first systems*

### **ECOM.TECH, IOS ENGINEER:** 04/2024 – 04/2025

- Built complex UI, improving user engagement.
- Optimized performance, improving app launch speed by 22%.
- Integrated Notification Extension Service, boosting push notification delivery **reliability by 17%**.
- Delivered a company talk, improving adoption of best practices.

**Tech Stack:** *UIKit, Protobuf, gRPC, MVVM, URLSession*

### **ZEN (VK), IOS DEVELOPER:** 01/2023 – 04/2024

- Developed features in the authoring team, supporting 4+ content types, increasing engagement by 13%.
- Built adaptive, high-performance UI.
- Expanded UI **test coverage to 81%**, reducing manual regression **by 4x**.
- Optimized authoring tools, cutting content creation time for users by 24%.

**Tech Stack:** *UIKit, REST API, Redux, MVVM + Coordinators, XCTest/XCUITest*

### **MURIUM, IOS DEVELOPER:** 03/2022 – 12/2022

**CHICAGO LOGISTICS, IOS APP DEVELOPER:** 09/2020 – 02/2022

**FABRIKA USABILITY, IOS APP DEVELOPER:** 03/2017 – 02/2019

## EDUCATION

META (CERTIFICATION), USA: IOS DEVELOPER, 2023-2024

42 SILICON VALLEY SCHOOL, USA: SOFTWARE ENGINEER, 2019-2021

CHELYABINSK STATE UNIVERSITY, IIT: BACHELOR, 2020 - PRESENT.
